Dear Italy Traveler,

We are happy to share arrangements for a chartered coach to take many from our group to and from the Atlanta Airport. This coach will deliver us curbside at the Atlanta Airport Terminal and pick us up there on our return. The enclosed schedule has the pickup times and locations.

If you choose to join us on the coach, it is vital that we remain on schedule as we make our way to Atlanta. Therefore, **your punctuality at these pick up stops is crucial**. We need to arrive at the airport with sufficient time to secure boarding passes for each person, check our luggage through to Italy, and get everyone through security. Plus, there is the unknown factor of how heavy Atlanta traffic will be that day. There is no scheduled meal stop on the way to Atlanta. Be sure to eat a good breakfast before leaving home. Hopefully, there will be time for you to get a bite to eat after you get through security at the Atlanta airport.

The coach will be waiting at the Atlanta Airport on November 14 to transport us back home. Again, note the enclosed schedule for a timeline of drop offs on our return.

The cost to ride the coach to the Atlanta airport depends upon where you board. Our goal is to charge a fee that simply covers the cost of the coach. Unfortunately, the overall price of chartering a coach is increasing. Thus, we have had to raise the price slightly from previous tours. Of course, you are free to get to Atlanta on your own. If this is your plan, please let us know. For most people on our tour, the coach fee is less expensive and much more convenient than the cost of driving/parking or flying to Atlanta on your own.

If you wish to utilize the coach to the Atlanta Airport, please indicate your preferred pickup time/location on the enclosed form and mail it along with your coach fee. Payments for riding the bus to and from Atlanta should be paid to "McCluskey Tours, LLC" and are due **before October 1, 2018**. The address is:

McCluskey Tours, LLC  
245 Bowman Avenue  
Cleveland, TN 37311

If you are **NOT** going to ride one of these coaches and you plan get to Atlanta on your own, **let us know this as soon as possible**. Travelers making their own arrangements to get to Atlanta should plan to be at the Atlanta Airport by the time the coach arrives there (approximately 3 hours before our flight departs.)

If you have questions, please call Jay at 423-504-3522. Looking forward to our adventure.
